Calling All Cars

June 16, 2009

In a continuous effort to help reduce travel expenses for teams, players, families and fans associated with CollClubSports, we are proud to announce that AVIS is the Preferred Rental Car Supplier for CollClubSports. "Avis Rent A Car System, Inc. and its subsidiaries operate the world's second largest general-use car rental business, providing business and leisure customers with a wide range of services at more than 1,700 locations in the United States, Canada, Australia, New Zealand and the Latin American/Caribbean region."

There are many benefits to this relationship including award-winning customer service, outstanding corporate capped rates, ease of website reservations and tracking capabilities, as well as their large fleet of mini-vans, sports utility vehicles, and **12-passenger vans** all with unlimited miles. However, it was AVIS's ability to remove the standard 25 and under fee that made this a fantastic deal for CollClubSports. The removal of this fee will allow any team with a player 18 and older to rent without being charged the \$25 per day fee. No other potential car rental company was willing to rent to anyone under 21, let alone without a fee. This will mean considerable savings allowing teams with younger players to rent and travel as a team instead of using personal vehicles for games. Players, fans, and families can use the discount code for recreational uses as well. Other benefits include the \$3,000 loss damage waiver where the driver is only liable up to \$3,000 in any damages on the rental vehicle. Also participants who sign up for the Preferred Program can receive additional benefits including faster reservations, no paperwork, shorter lines, and other special amenities.

**Note: Any additional drivers added to a vehicle MUST be 25 or older!*
