

NCSA Shows its “Worth”

Back in 2003, Rawlings Sporting Goods and Worth Sports joined forces. Worth maintained its focus in Slow-pitch and Fast pitch Softball while Rawlings turned their efforts to solidifying other sports like Baseball and Football. Since Worth is such a Softball power, the National Club Softball Association is thrilled to announce that Worth is the “Official Uniform Supplier of the NCSA.”

Operating as a team the mission of both Worth and Rawlings has targeted enabling the participation of athletes at every level by developing and producing high-quality performance and protective equipment and apparel

As a partner of the NCSA, Worth has allowed the league to offer discounts of AT LEAST 45% off of Worth’s catalog pricing. Being the “Official Uniform of the NCSA,” Rawlings will sport the official NCSA Jersey Patch on the back neck of all team jerseys, coats, and jackets as well as the official NCSA Pants Patch on team uniform pants and shorts, placed above the right rear pocket, on all Club Softball team orders.

Eric Curitore, Marketing Manager at CollClubSports, puts it best: “We’re extremely excited with the recent news of Worth taking over our softball uniforms. Worth has done nothing but provide high quality uniforms to softball teams all around the country. They have a great selection. I’m confident that our NCSA teams will feel the same way.”
