2014 NCSA Spring Training Tournament Sun, Sand and Softball

Pittsburgh, PA - CollClubSports and the National Club Softball Association are excited to announce that they will once again be partnering with the Tampa Bay Sports Commission to put on the 2014 NCSA Spring Training Showcase in Tampa, FL. And this year, there are more NCSA teams interested in attending than ever before. Teams will be coming from around the nation during the five weeks of Spring Break, and there will be not one but two official NCSA Spring Training Showcase Tournaments. The two tournaments will be held the weekends of March 6-9 and March 13-16, 2014.

The games will be played at Mike Sansone Park in Plant City, FL under sunny skies and palm trees. The park has two NCAA Regulation softball fields with four batting tunnels. The field crews and umpires at Mike Sansone Park are a huge part of the success that the Spring Training Showcase has seen over the past few years. With their commitment to excellence and a passion for the game of softball, the 2014 Spring Training Tournaments will be nothing short of a good time.

The costs for the tournament will be a one-time non-refundable entry fee of \$350 along with a \$100 refundable performance bond. **The signed contract, schedule request and \$100 performance bond are due by December 1st, 2013.** Teams will also be allowed to play other scheduled games against participating teams that are in Tampa for the week of their Spring Break. Extra games will be \$100 per game and practice will be \$25 per hour of practice. The tournament registration fee and any extra game or practice fees will be due no later the January 31, 2014.

With close to 20 teams interested in attending, the NCSA is also securing discounts at local hotels, restaurants and businesses in the Tampa area for your teams. As members of the NCSA, participating teams will also benefit from travel discounts and special rates with van and car rental agency AVIS. Teams can reserve mini-vans, sports utility vehicles, and 12-passenger vans all with unlimited miles and won't have to worry about paying an Under-25 fee to drive. We're here to help you!
