2013-2014 Season Outlook: Our team had a strong showing at the NCSA World Series in May. We hope to take our third trip in a row to the World Series and improve our overall ranking! We're also looking to promote our team within our school and local community!

Manager Quote: Top to bottom this is the most talented USAFA team we've put together in three years. The bar has been set to an extremely high level and we hope to have a more successful season than we did last year. With 7 returning starters and 5 strong newcomers, and strong pitching rotation this team should have the talent and skills to make a run at a national championship.
