The NCSA teams that participated in the NCSA Spring Training Showcase were University of Pittsburgh and Michigan State University. Macomb Community College made a mid-week trip for a double-header. Every game played was something to see, with each team giving it their all. Not only did the teams enjoy the amazing Florida weather, but they played some very competitive softball! Teams had a great time off the field by hanging out at showcase sponsors: Blue Dog Bistro, GameTime, Tilted Kilt, Hooters, Circle K/Subway, Champps Americana, Papa John's, and O'Brien's Irish Pub.
