

Club Softball Team Representatives,

As we head towards the conclusion of the eleventh season of NCSA softball, it is time to both look back at how far we've come and to look forward to how we can continue to grow and improve in the future. The league has grown to 124 teams across 24 conferences and we have already begun signing new teams for next season. We have seen some changes to the rules as well as the addition of some new sponsors, including AVIS as the "Official Car/Van Rental of the NCSA" and The Game (Headwear) who have joined our other successful sponsors, including Rawlings (Uniforms and Softballs), Rawlings (Performance Apparel and Equipment), FundRazr & PLDGIT (Official Fundraisers) and Motel 6 (Official Hotel Provider).

It is now time to look toward the future and you are an important part in creating that future. This letter is your formal invitation to the Eleventh Annual National Club Softball Association League Meeting. We are inviting representatives from all current and future NCSA teams to attend this meeting and speak on their team's behalf. The meeting will provide all those in attendance with the opportunity to network with other team leaders, learn more about the history and future of the NCSA, ask questions, voice their opinions on the operation of the league, and help to create the league's annual voting ballot. This is your opportunity to provide your much-needed input and to have a direct impact on the direction the NCSA will head in the future. Be sure that your team is not left out.

This year's meeting will be held on Friday, May 19th at 8:30pm in the hospitality room at Golden Park (Baseball Stadium) within the South Commons Sports Complex (100 4th Street, Columbus, GA 31901). The NCSA World Series will resume the following day, Saturday, May 20th with the double elimination games scheduled to begin at 10:00am at the South Commons Softball Complex in Columbus, GA. Each team representative in attendance will receive free admission to the complex. We hope that everyone attending the meeting will plan on joining us at the park for the World Series as well.

For auto rentals, AVIS will serve as the official car rental company of the 2017 NCSA World Series. AVIS offers discounted rates for all teams, parents and fans and will waive the Under-25 Driver fee for any team that books with AVIS. Be sure to use Avis Worldwide Discount (AWD#) D712300.
