NCSA Extends Contract with Rawlings as the Official Softball Provider!

It is with great excitement that the National Club Softball Association announces that their contract with Rawlings Sporting Goods has been renewed through the 2021 season! Rawlings softballs will continue to be the “Official Softball of the NCSA”, the exclusive provider for all NCSA teams, and the ONLY softball allowed for league play. As always, all NCSA teams will be provided with two dozen free balls courtesy of the league every year and are able to purchase additional balls at a flat low price. The league also has an exclusive 35% discount on apparel pricing only available to teams within the NCSA. In fact, starting July 1st through November 30th, all NCSA teams can take advantage of the increased discount window of 45% off on all Rawlings uniforms and apparel.

“I am excited to be extending our relationship with Rawlings as the official softball provider of the NCSA,” said Savannah Ahrens, Vice President of Operations for the National Club Softball Association. “Rawlings and the NCSA have had a great relationship for the past several years with softballs and I know our teams will be thrilled to learn that our partnership will be continuing for several years to come!”
